RE: Docket No. 2008-251-E

Dear Mr. Terreni:

Please accept this letter as additional support for Progress Energy Carolinas, Inc.'s ("PEC") Motion to Deny the Petition to Intervene of the Southern Environmental Law Center, Natural Resources Defense Council, Coastal Conservation League and Southern Alliance for Clean Energy. By Order No. 91-273 issued by the Commission in Docket No. 90-698-C, the Commission denied the Motion of the South Carolina Cable Television Association ("SCCTA") for Permission to Intervene Out of Time. The Commission held that an intervention that is untimely must be supported by good reason. SCCTA provided no such justification. The facts supporting the Commission's decision in the SCCTA case are very similar to those presented in this proceeding. In both cases the petitioner had been aware of the proceeding for an extended period of time, both petitioners provided no justification for their delay in seeking to intervene, and the applicant in both cases (GTE South in the case of Docket No. 90-698-C and PEC in this case) would be prejudiced by such late intervention as there is little time remaining to conduct discovery on the petitioners. Thus, PEC reaffirms its Motion to Deny the Petition to Intervene of the Southern Environmental Law Center, Natural Resources Defense Council, Coastal Conservation League and Southern Alliance for Clean Energy.

Yours very truly,
